Leading Change

Presented by: David Ciullo of Career Management Associates

Change can be a hard word for employees. This interactive workshop helps participants understand the impact of change and how to manage it, whether it is imposed on you, you initiate it, or it comes from outside the workplace. You will learn to create an effective individual action plan that effectively implements change, what the steps to winning support for change are, and the management of the effects on the team.

Who Should Attend? **Managers/Supervisors; Human Resource Directors; Safety Coordinators**

Program Fee: $75/pp
