

Dear Friends,

We're looking forward to the PLC of Maine's 4th annual Log A Load for Kids Southern Maine golf tournament on August 25<sup>th</sup> at Lake Kezar Country Club in Lovell, Maine. This special day on the course will benefit The Barbara Bush Children's Hospital at Maine Medical Center.

In an effort to raise as much as possible for sick and injured children across Maine and New Hampshire, we're in search of raffle or auction prizes to complement the event. Donations could include anything from a gift certificate to sporting goods to an overnight getaway. All donations are tax-deductible.

If you are willing to contribute an item to this year's event, please reach out to myself or Kate Richardson, Senior Philanthropy Manager at The Barbara Bush Children's Hospital:

[Kate.Richardson@mainehealth.org](mailto:Kate.Richardson@mainehealth.org)  
330-697-2861

Every dollar raised during this event will help our local children's hospital fund the life-saving therapies, highly-specialized medical equipment, and specialty programs needed to care for the thousands of kids, like Emily who rely on this care, close to home.

We hope you will consider supporting this great cause alongside us this year.

Thank you!
