THE WHY BEHIND OUR AUCTION

Creating Real Miracles by Raising Funds for Local Hospitals Since 1983, Children's Miracle Network (CMN) Hospitals has raised over \$5 billion for 170 children's hospitals across North America. The PLC of the Northeast and Eastern Maine Healthcare Systems (EMHS) Foundation have contributed more than \$2.195 million since 1996 to support children in Maine, funding research, equipment, and uncompensated care. These efforts help kids battling cancer, traumatic injuries, premature births, and genetic diseases.
