

Hello, I'm

Noah Crummett

WINDSOR, MAINE

Erskine Academy

A B O U T M E

W H A T M I G H T A N E M P L O Y E R S A Y A B O U T M E

An employer would probably describe me as hardworking, reliable, and respectful. I try to show up ready to go every day, give my best effort on the job, and be someone my team can count on.

M Y W O R K E X P E R I E N C E

My work experience includes serving as an equipment operator and laborer for Daryl Horak Logging from 2020 to the present on an as-needed basis, working as a landscaping laborer with Saints Ground Maintenance from 2021 to 2023, and gaining additional skills as an electrician's helper with JNM Electric in 2024.

M Y I N T E R E S T I N T H E L O G G I N G I N D U S T R Y

My interest in the logging industry really comes from my love of being outdoors and working with my hands. I want to keep building my skills as an equipment operator and learn as much as I can, because I know the more experience I get, the better I'll be able to grow and succeed in this field.

M Y P R E F E R R E D W O R K L O C A T I O N

I would prefer to work in the Central Maine area.

A B O U T M E

W H A T M I G H T A N E M P L O Y E R S A Y A B O U T M E

An employer would probably say that I am a hard worker who adjusts well to change and keeps putting in consistent effort no matter what the project is. I always try my best and take pride in following through with the work that needs to be done.

M Y W O R K E X P E R I E N C E

My work experience includes working in a shop where I helped maintain trailer trucks and other equipment. I've also gained hands-on experience in carpentry and concrete, which has helped me learn practical skills and get comfortable working on a variety of different projects.

M Y I N T E R E S T I N T H E L O G G I N G I N D U S T R Y

My interest in the logging community comes from wanting to work outdoors, cut wood, and operate equipment. I'm ready to learn the skills needed to do this safely and effectively while gaining hands-on experience in the industry.

M Y P R E F E R R E D W O R K L O C A T I O N

I would prefer to work in the southern Aroostook County area.

Zac Pelletier

New Gloucester, Maine

Gray-New Gloucester High School

A B O U T M E

W H A T M I G H T A N E M P L O Y E R S A Y A B O U T M E

Previous employers would say that I am reliable, always show up on time, work hard, and follow instructions carefully. I try to do my best on every task and be someone my team can count on.

M Y W O R K E X P E R I E N C E

My work experience includes overnight snowmaking at Saddleback Mountain in Rangeley, working as a landscape laborer for Tammaro Landscaping in Cape Elizabeth, and serving as a production assembler at Dielectric in Raymond. Each of these jobs has helped me build a strong work ethic, develop practical skills, and gain experience in different types of work environments.

M Y I N T E R E S T I N T H E L O G G I N G I N D U S T R Y

My interest in the logging industry comes from my love of working outdoors and the idea of spending time out in the woods. I also enjoy being part of a team, working together with others to get a job done successfully and safely, and learning from the experience along the way

M Y P R E F E R R E D W O R K L O C A T I O N

My preferred work location would be around New Gloucester where I currently live, additionally the Rangeley or Eustis area would work as well. However, I am open minded to working anywhere.

Hello, I'm

Brenda Medcoff

J A Y , M A I N E

Jay High School
Unity College

A B O U T M E

W H A T M I G H T A N E M P L O Y E R S A Y A B O U T M E

An employer would probably say that I have a good attitude, am determined and dependable, work well with others, and am always willing to help. I try to stay positive and contribute wherever I'm needed on the team.

M Y W O R K E X P E R I E N C E

My work experience includes working on a hand-cutting crew, mostly producing firewood, as well as working in parks. I have over 20 years of experience in code enforcement, and I've also taught forestry and wood harvesting at the Foster Career and Technical Education Center. Each of these roles has helped me develop hands-on skills, leadership, and a strong understanding of safety and teamwork in different work environments.

M Y I N T E R E S T I N T H E L O G G I N G I N D U S T R Y

My interest in the logging industry comes from my love of being in the woods and the sense of accomplishment that comes at the end of a hard day. I enjoy the feeling of working with a close-knit team, like a second family, and I appreciate the opportunity to support wildlife through responsible forest management practices

M Y P R E F E R R E D W O R K L O C A T I O N

I would prefer to work in Western Maine, ideally within an hour and a half of Jay. I'm open to going further if housing is available and I can bring my dog, so I can be close to home while still gaining valuable experience in the field.

Hello, I'm

Owen Northrup

A N S O N , M A I N E

Mt. Blue High School

A B O U T M E

W H A T M I G H T A N E M P L O Y E R S A Y A B O U T M E

Any prior employer I've had would likely say that I have a strong work ethic and that I don't cause problems on the job. They would also say that I'm respectful, willing to learn, and always ready to take on new challenges. I try to be someone my team can rely on, follow directions carefully, and put in consistent effort so that the work gets done safely and efficiently.

M Y W O R K E X P E R I E N C E

My work experience includes working for Spear Farms in Nobleboro for two summers and at Morrison Hill Orchard for two seasons. Last summer, I worked with Manzners Fine Grade and Earthwork, and for the past three years I've spent most of my time focused on cutting firewood on my own. These experiences have helped me develop practical skills, a strong work ethic, and the ability to work independently as well as part of a team.

M Y I N T E R E S T I N T H E L O G G I N G I N D U S T R Y

My interest in the logging community comes from growing up with ties in the industry and spending most of my days walking through the woods as a kid. I have a true passion for logging, it's always something I've enjoyed doing and watching. I want to continue to build my skills and gain experience in this field.

M Y P R E F E R R E D W O R K L O C A T I O N

An employer might say that I am hardworking and organized. I try to stay on top of tasks, manage my time well, and give my best effort on every job I take on.

Hello, I'm

Colby Farnsworth

O R O N O , M A I N E

Orono High School
University of Maine Forestry Program

A B O U T M E

W H A T M I G H T A N E M P L O Y E R S A Y A B O U T M E

An employer might say I am a hardworking team player who takes pride in doing every task the right way, without cutting any corners. I try to stay focused, follow instructions carefully, and contribute to the team so the work gets done safely and correctly.

M Y W O R K E X P E R I E N C E

I have worked as an arborist, climbing and cutting trees, which taught me important safety skills and how to work carefully at heights. I've also worked in a greenhouse, gaining experience with plants, maintenance, and hands-on labor. Both jobs helped me develop a strong work ethic and practical skills.

M Y I N T E R E S T I N T H E L O G G I N G I N D U S T R Y

My interest in the logging community comes from my passion not only for logging itself, but also for the forestry side of the industry. I'm excited to learn more about managing and caring for the forest while gaining hands-on experience in the field.

M Y P R E F E R R E D W O R K L O C A T I O N

My preferred work location would be within 45 minutes or so from the greater Bangor area,

ABOUT ME

WHAT MIGHT AN EMPLOYER SAY ABOUT ME

An employer would probably say that I am respectful, willing to learn, and always on time. They would also say that I work well with others and try to contribute wherever I'm needed.

MY WORK EXPERIENCE

My work experience includes working at Champagne Lumber and True Value Hardware in Jackman from 2021 to 2023, at Achey's Autobody in Jackman from 2022 to 2023, and as an intern for Milton Cat in Brewer from 2023 to 2025. These roles have given me hands-on experience, taught me how to work responsibly, and helped me develop skills that I can bring to a team.

MY INTEREST IN THE LOGGING INDUSTRY

My interest in the logging community comes from wanting to build on the skills I'm learning in the MLOFT program and to contribute to the community where I live and work. I want to gain experience, learn from others, and make a positive impact through my work.

MY PREFERRED WORK LOCATION

I would prefer to work in the Jackman area, but am willing to consider other opportunities.
