

PLC Annual Meeting & Log-A-Load for Kids Benefit Auction

THURSDAY & FRIDAY, MAY 7 & 8
THE SAMOSET RESORT - ROCKPORT, ME

Dear PLC Supporting Member,

On behalf of the Professional Logging Contractors (PLC) of the Northeast, I am proud to invite you to join us for our 31st Annual Meeting and Log-A-Load for Kids Benefit Auction on May 7-8, 2026, at The Samoset Resort in Rockport, Maine.

This year's theme, Rooted & Resilient, reflects the true character of our industry. Our members are deeply rooted in the heritage of the Northeast forest, and they have proven their resilience time and again through shifting markets and difficult operating conditions. This meeting is an opportunity to recognize that strength and reinforce the partnerships that keep our industry moving forward.

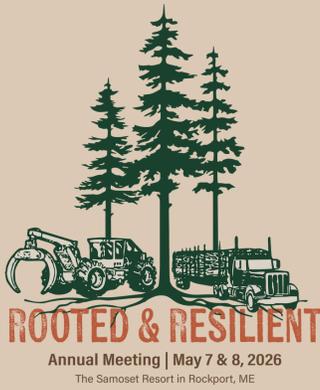

Our commitment to our community is just as durable. In 2025, our dinner and auction raised over \$165,000 for Log-A-Load for Kids and Children's Miracle Network Hospitals. As a sponsor, you take an active role in this success, gaining vital visibility among more than 375 logging companies, supporting members, and industry leaders.

We invite you to stand with us by completing the enclosed form or registering at www.plcloggers.org by February 28. Thank you for being a part of this incredible effort to support the Northeast's logging professionals and the children's hospitals that rely on our help. I look forward to seeing you in Rockport!

Sincerely,

Dana Doran
